

FREQUENTLY ASKED QUESTIONS

NTU ENGLISH CHRISTIAN FELLOWSHIP

HOW DOES CF DIFFER FROM THE OTHER NTU CHRISTIAN CLUBS?

Refer to NTU-CF's 6 distinctives on page 2!

WHY SHOULD I JOIN CF WHEN I ALREADY HAVE A COMMUNITY IN CHURCH?

CF's vision and purpose differ from that of a church as evident in our distinctives such as being **student-led & student-initiated** and **interdenominational**. Note that CF is not meant to replace church but instead to serve the local churches by training and equipping our members for service,

DOES CF HAVE ANY DENOMINATION?

Nope. We are **interdenominational** in that CFers are from different churches of different denominations and we celebrate the diversity of different denominations and churches.

WHAT DO WE DO IN CF?

In line with our vision and AY21/22 direction, we have events such as **small group** (SG) sessions, **fellowship night** (FN), **community engagement** (CE), and **scripture engagement** (SE)! For more information about the 4 main events, refer to the events calendar on page 2!

To find out more about our ad-hoc events throughout the AY, please follow our Instagram or Telegram channel!

WHAT AND WHEN IS SMALL GROUP?

WHAT? During SG sessions, we fellowship while studying the Bible together as a small group for personal growth as well as to think about its application to student ministry on campus. On average there are about 15 members per SG.

WHEN? CFers are split randomly across the 5 different SGs and based on which SG day (Tues/Wed) fits their schedule better.

WHAT KIND OF BIBLE STUDY DO WE DO?

For AY21/22, we will be studying the Book of James during SG. SG sessions are split into SGA and SGB. **SGA** sessions are more focused on setting the context of the chapter while referring to commentaries for a better understanding of the passage.

SGB sessions are more focused on application and re-contextualising the passage in the context of the university.

Nevertheless, with CF being a student-led and student-initiated ministry, we ultimately make our own conclusions through the conversations and discussions that happen during and/or after SG.

OUR AFFILIATION

NTU-CF is affiliated to a larger, national organisation known as the **Fellowship of Evangelical Students (FES) Singapore**.

FES is an interdenominational organisation that serves God among tertiary students and graduates in Singapore. FES seeks to strengthen their faith and nurture their love for Christ so that they may reach out to the rest of their respective campuses for Him.

The mission of FES is to be a faithful evangelical witness on campus and in society, moulding disciples of Jesus Christ who will be effective salt and light of the world.

SALT

We're called to be a seasoning agent to add Christ's distinctive flavour in our conversations and actions with others.

LIGHT

We're called to be a clear and illuminating witness in one's own words and deeds.

AY21/22 DIRECTION

RECONNECT TO CONNECT: RESHAPING CAMPUS ENGAGEMENT FOR OUR NEW NORMAL

Through this AY, the EXCO hopes that CFers will see the importance of **reconnecting** with the Word and biblical roots of our Vision, to **connect** with our campus and wider society with greater conviction and imagination.

Specifically, to **rethink** the notion that physical engagement is superior to digital engagement. While we continue to lament the loss of physical interactions, we should **reimagine** how the digital platform can be meaningfully used to connect with other people and other conversations, and not put our calling, to engage the campus, on hold.
